RECENT ADVANCES IN CARDIOPULMONARY BYPASS AND MYOCARDIAL PROTECTION

Tuesday, November 10, 2009, 6:30 – 8 p.m. • OCMA/Turnip Rose, Orange, CA • Registration Requested by November 9

6:30 p.m. - Dinner

7 – 8 p.m. - Richard Gates, M.D., *Cardiothoracic Surgeon,
Medical Director of Cardiac Surgery*

PROGRAM OBJECTIVES

- Compare and contrast the clinical effects of placing a patient on cardiopulmonary bypass.
- Identify and explain how both the favorable and unfavorable outcomes are directly related to cardiopulmonary bypass and recent advances with this technology.
- Explain how blood cardioplegia (a form of myocardial protection) preserves heart function and improves survival rates.
- Recognize the high risk patient who would better benefit from a surgical approach as opposed to an interventional procedure.

TARGET AUDIENCE

Internal Medicine, Family Practice, Cardiologists,
Cardiothoracic Surgeons and mid-level practitioners

1 CME Credit Available

St. Joseph Hospital is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. St. Joseph Hospital takes responsibility for the content, quality and scientific integrity of this CME activity. St. Joseph Hospital designates this educational activity for a maximum of 1 credit *AMA PRA Category 1 Credit™*. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. The California Board of Registered Nursing recognizes the use of Category 1 Continuing Medical Education credit toward credit for contact hours. Report "CMA Category 1 Credit" as the BRN Number. In compliance with the Americans With Disabilities Act (ADA), we will make every reasonable effort to accommodate your needs. For any special requests, please call the Physician Education Department - 714-771-8054.
