DETECTION AND EARLY INTERVENTION FOR STROKE

Wednesday, May 11, 2011, 6:30 – 8 p.m. • Todos Conference Room, Orange, CA • Registration Requested by May 10, 2011

PRESENTER

Howard Dorne, MD
*Interventional Radiologist,
St. Joseph Hospital*

PROGRAM OBJECTIVES

- Communicate the latest methods of prevention in the management of patients who are at risk of having a stroke.
- Apply “care team protocol” that will lead to clinical excellence in the management of patients who have experienced a stroke.
- Recognize cultural factors that resulted in a decrease in stroke incidence with Caucasians but not African Americans.

TARGET AUDIENCE

Cardiologists, Family Practice Physicians, Internal Medicine Physicians, OB/GYNs, Vascular Surgeons, Interventional Radiologists and ancillary staff.

St. Joseph Hospital is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. St. Joseph Hospital takes responsibility for the content, quality and scientific integrity of this CME activity. St. Joseph Hospital designates this educational activity for a maximum of 1 credit *AMA PRA Category 1 Credit*™. Physicians should claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. The California Board of Registered Nursing recognizes the use of Category 1 Continuing Medical Education credit toward credit for contact hours. Report “CMA Category 1 Credit” as the BRN Number. In compliance with the Americans With Disabilities Act (ADA), we will make every reasonable effort to accommodate your needs. For any special requests, please call the Physician Relations - (714) 347-7940.
