

St. Joseph Hospital Doctors Named 2008 Physicians of Excellence by OCMA

ORANGE, CA -- To be named to the prestigious annual "Physicians of Excellence" list compiled by the Orange County Medical Association (OCMA) involves board certification and proven clinical expertise. In addition, those on the list have demonstrated that they are superior leaders, teachers, clinical researchers and volunteers.

St. Joseph Hospital proudly partners with many of the area's finest physicians. Doctors here care for more emergency patients, deliver more babies and perform more surgeries than any other Orange County hospital. To become a medical staff member, physician must meet strict criteria and maintain high standards of medical care.
