

**HOSPITAL TO SCORE A HOLE IN ONE FOR THE CENTER FOR CANCER
PREVENTION AND TREATMENT**

*St. Joseph Hospital's 24th Annual Todos Golf Tournament
To Go Towards Todos' \$1.5 Million Pledge*

ORANGE, CA -- The renowned team of cancer experts at The Center for Cancer Prevention and Treatment all work together toward the same goal—to save lives from cancer but on Monday, March 30, their goal will be to score a hole in one for the one of the few cancer centers in the nation offering the latest in diagnostics, treatment and clinical trials.

St. Joseph Hospital Foundation is teaming up with Aramark Healthcare to host its 24th Annual Todos Golf Tournament at the Coto de Caza Golf and Racquet Club at 25291 Vista Del Verde at 9 a.m. Proceeds from the Golf Tournament will help patients who receive care in the hospital's Center for Cancer Prevention and Treatment. The golf tournament will also feature a merchandise store, contests, opportunity drawings, silent auctions and awards..

“It was a natural decision to earmark funds generated from the golf tournament to help the Center for Cancer Prevention and Treatment grow and continue to provide world class cancer care for Orange County residents,” said Janice Ramsay-Gonzales, Foundation Board Member and Todos Advisory Board Chair., “Not only do participants contribute to a cancer center that has access to the latest in prevention, diagnosis, treatment and clinical trials, but they also get to play golf in a fabulous setting.”.

Entry fee includes 18 holes of golf, golf cart, merchandise store gift certificate, continental breakfast, lunch on course and awards reception. The St. Joseph Hospital 24th Annual Todos Golf Tournament is expected to raise more than \$190,000.
